DESCRIPTION

Similar to the Okean 55 Open sport, The Okean 55 coupé limousine differentiate itself by a dynamic and closed cockpit.

The Okean 55 was developed by the renowned Italian designer, Paolo Ferragni, and it draws attention by its innovative design, practicality and performance.

The side and rear doors open fully, forming flaps that integrate exterior and interior, bringing nature into the vessel while you rediscover new landscapes.

A premium space for those who want to make the sea their new home.
